# WELCOME

At Liverpool Hope we pride ourselves on knowing our students, allowing them to learn from top researchers in dynamic, smaller sized classes across our two teaching campuses; Hope Park and the Creative Campus.

Set in the green surroundings of Childwall, **Hope Park** is a short bus ride from the city centre giving students the best of both worlds; a friendly campus to live and learn, and the vibrant city to socialise, shop and eat.

Our largest campus, Hope Park is an education village with both en-suite and shared accommodation, a state-of-the-art gym and a sports complex filled with various facilities. It houses a friendly student bar; 'Our Place' hosts live music, comedy nights and has a gaming zone.

Just a 10-minute walk from the heart of Liverpool city centre, **The Creative Campus** is a hub of creativity and inspiration. The Grade II-listed Capstone Theatre and the Cornerstone Building are just some of the spaces that are dedicated to the creative arts. The campus is an inspiring place to live and study.

**Aigburth Park** is our residential campus, around three miles from Hope Park and the city centre. Surrounded by beautiful parks, a wealth of trendy bars, shops and local transport links to and from the heart of the city, it remains a popular home for students.

All Gibraltarian students follow the student loans in the United Kingdom, where they apply for a loan from the Student Loans Company which is then repaid in full by the Government of Gibraltar.

## Education and Special Educational Needs BA

### **WHY DID YOU CHOOSE LIVERPOOL HOPE UNIVERSITY?**

I really liked the course and the campus, the people were really nice and welcoming.

### **WHAT WOULD YOU SAY TO ANYONE THINKING OF COMING TO LIVERPOOL HOPE?**

This is a great university, everyone is helpful and friendly.

### **DO YOU HAVE ANY ADVICE FOR OTHER GIBRALTARIAN STUDENTS CONSIDERING UNIVERSITY IN THE UK?**

It can be difficult being so far from home, so try to choose a place that is friendly and that you like, don't go somewhere just because someone else has told you to go there. Also try and join clubs and societies, this will help you make friends and really help you forget about the homesickness.

Also make sure that you like your course, if you're finding it boring it will only make coming back to uni after midterm and Christmas and stuff harder. Try and stay in as much contact with your loved ones as possible, I video call my family almost every day and that really helps.

### **WHAT HAS BEEN YOUR FAVOURITE MEMORY AT UNIVERSITY SO FAR?**

All the socials I have been to, it has really helped me to come out of my shell.

### **WHAT IS YOUR FAVOURITE THING ABOUT LIVERPOOL AS A CITY?**

There is so much to do, whether you like going out clubbing or just having more of a quiet night, you will always find something to do.

### **WHAT IS YOUR FAVOURITE THING ABOUT YOUR COURSE?**

All of it, it's really interesting and it challenges me, in a good way.

### **WHAT ARE YOU LOOKING FORWARD TO THIS ACADEMIC YEAR?**

My assignments (I know that sounds really nerdy), I have some more freedom as to what I do this year which makes them a bit for interesting.
